

STEPS TO APPLY IN FRENCH UNIVERSITIES FOR THE ACADEMIC YEAR

2023-2024 

Dear Student,

Do you wish to pursue your higher education in France ? France has over 1600 programs taught in English.

If you are interested to study in France , below you will find necessary information to apply in French Universities and other links for financial aid support. To ease your search this is the link to find programs taught in English in France >[Taught in English - v1.3.5 \(campusfrance.org\)](https://taughtie.campusfrance.org)
<https://taughtie.campusfrance.org>

As of 2022, Ethiopia has become part of the Etudes en France Platform. Many institutions will ask you to apply via this platform. You can apply up to 7 universities. If the university you are looking for is not linked to the Etudes en France Platform, you will have to directly apply via the University's website. Please check carefully for the requirements.

Two possible dates/deadlines:

- **October 1, 2022 to December 15, 2022:** Students who want to study a degree taught in French (minimum B2 level needed) and want to apply in 1st year undergraduate degree, the deadline is December 15, 2022 and can select up to 3 universities. Students who want to apply in English given courses (1st year undergraduate) are not concerned and should refer to the second date (below). Students who want to apply to architecture schools all level are concerned by the December 15 deadline.

- **October 1, 2022 to February 3rd, 2023:** Students who want to apply undergraduate (1st year in English taught courses), 2nd year, 3 year undergraduate or bachelor (English taught or French taught), Masters (English taught or French taught)

For PHD candidates, directly apply by checking the offers :

<https://doctorat.campusfrance.org/en/phd/offers>

Step 1: Create your account. (Do it always on Laptop/PC and on Mozilla Firefox, other methods might not be compatible especially telephone) Each student has to create his/ her personal account. Campus France Office can not do it as it is confidential and forbidden by the French Ministry of Foreign Affairs and French Ministry of Education.

You will have to create an account on the platform (link below) and fill in your information. You choose **Campus France Ethiopia**. You activate your account via a link you receive by email.

The platform is available in English.

→[https://pastel.diplomatie.gouv.fr/etudesenfrance/dyn/public/authentication/login.html? csrf=448ac9cf-ef4c-4278-857e-ea7d2396f172&codeLangue=EN](https://pastel.diplomatie.gouv.fr/etudesenfrance/dyn/public/authentication/login.html?csrf=448ac9cf-ef4c-4278-857e-ea7d2396f172&codeLangue=EN)

Save your password and note it somewhere as you will use it each time you log in, only use this link to apply.

Step 2: Fill in and upload (all sections must be completed for next steps)

You fill in all sections and upload all required documents (CV , transcripts, diplomas, passport, photo (ID size)) , language tests if applicable, internship and work certificate if applicable) . Some universities will ask English proficiency (IELTS, TOEFL...) however when the student has taken course and completed a degree in English, a medium instruction english proficiency may be accepted. (Kindly check with the university)

Important: For Ethiopian candidates, please write your name as passport (first name : your name+father's name/Last name: Grandfather's name)

Step 3: Add your program and university.

Select your programs and universities (up to 7 and add them to the cart)
Kindly add letter of motivation for each program.

Important: Go on the Taught in English Section to select the programs in English.

Step 4: Submit your application and pay Application fees

Check if every information are correct before submitting your file. If you hesitate, kindly let us now by writing to us via this email.

Application fee must be paid before February 3rd.

2500 ETB cash to be paid at Campus France Office located at Alliance Ethio-Française , office behind the stage/ Ground floor.

Step 5: Campus France will review your file + Interview

After you submit it, Campus France will review your file. If there are mistakes and incoherence Campus France will send it back to you, so you make the correction ASAP.

You will be called for an interview (project study / career purpose interview) in january/ February after you've submitted you file and after we have verified it.

Step 6: Universities will give an answer between march 15 and April 30, 2022

Step 7: You will have until May 31st to give them an answer and accept a proposal.

Step 8: Starting May - June until July, Campus France Ethiopia Office will guide you with your visa application and will invite to you to attend free workshops and presentations + snack time to prepare your departure.
